Control Union Certifications declares to have inspected the unit(s), and/or products of the above-mentioned certificate holder, and have found them in accordance with the standards mentioned above.

This certificate covers the unit(s), and/or product(s) as mentioned in the authenticated annex of this certificate.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is SVCOC-verified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required claim is clearly stated on transaction certificate, invoices and shipping documents.

This certificate is in force until further notice, provided that the above-mentioned client continues meeting the conditions as laid down in the client contract with Control Union Certifications. Based on the annual inspections that Control Union Certifications performs, this certificate is updated and kept into force.

Date of certification:
25 January 2022
